

REEM ABDEL RAZEK

FRONT-END DEVELOPER

Email: reemsadek2000@gmail.com. Portfolio: [reem sadek](#)

SUMMARY

A passionate Front-end Developer with experience in designing and developing modern web interfaces using the latest technologies. Skilled in HTML, CSS, JavaScript, Bootstrap, and Tailwind CSS. Continuously improving my skills in API integration and looking for opportunities to apply my expertise in innovative projects to enhance user experience.

PROJECTS

Shortly - URL Shortening Website

- Designed and developed the Shortly URL shortener using HTML, CSS, JavaScript, and Bootstrap.
- Implemented responsive design to ensure compatibility across different devices.
- Optimized performance using speed and performance enhancement techniques.
- [Shortly - URL Shortening Website](#)

Packit - Digital Wallet Landing Page

- Created and developed a landing page for a digital wallet app using Bootstrap and JavaScript.
- Integrated interactive elements such as Google Play and App Store download buttons.
- Improved UI/UX design to enhance user experience and engagement.
